Zenit Technical Training College is a dynamic institution dedicated to empowering students with practical skills and knowledge for today's fast-changing world.

We specialize in offering short courses, professional masterclasses, and German language training (A1, A2, B1 levels) designed to prepare learners for local and international opportunities.

Our Vision

To be a leading centre of excellence empowering learners in Kenya and beyond to build practical, globally-relevant skills for the digital era and international opportunities.

Our Mission

ZTTC College offers hands-on and career-focused short courses, masterclasses and German language training, equipping students with the knowledge, tools and certification needed to confidently step into the workplace or further education — locally or abroad.
